

Beyond the Apple's [videos](#) and [resources](#) for Professional Learning Communities is guided by the following tenets of Adult Education:

- Acknowledging the expertise of learners
- Building on the learner's known
- Valuing the learner's shift from knowing to understanding
- Focusing on relevancy of content
- Providing learning through collegial and individual inquiry
- Recognizing learners and instructors as co-learners
- Establishing an assessment / feedback loop that informs the learner and the instructor
